## What is the Health and Wholeness Credit?

The Health and Wholeness Credit (Beta) is a monthly credit of up to \$100 per household. This credit is applied toward your PRA balance to help offset the costs of health and wellness services.

## How to Use the Credit:

You can use the Health and Wholeness Credit toward any of the following categories:

- Direct Primary Care (DPC) Memberships
- Naturopathic Medications/Supplements
- Acupuncture
- Services rendered by Naturopathic Providers
- Gym Memberships

***"Last week, I had an accident that broke my foot. As soon as Impact found out, they called me. They were not only concerned for my well-being but also proactive. They asked which providers I would be seeing so they could reach out to them ahead of time. They recognized how patients don't want to deal with the pain of bills while in pain and took this stress away from me! I'm an Impact member for life!"***
